What to bring

1. Your bridal blouse
2. The jewelry and dupatta for the look concept we will be running through
3. Hair and makeup inspiration pics
4. You may have one guest attend with you. They must remain seated allowing space for the artist to perform

If you opt to not hold a trial

That is absolutely fine! We can always hold a planning consultation once all your items are in. You will organize the clothing, jewelry and concepts per event look and we can do a voice or video call to fine tune concepts!

As a formally booked #MsPaintedLadyLuxuryBride, you can always hold consultations as needed for a skincare assessment, hair extension assessment, etc so that your experience is tailored to your needs.
